Dear Gina, hope this message finds you well! It's been a while since we've spoken or connected. Things have been relatively good.

I'm pulling our neighbors together and bringing in some speakers from the City and Path to discuss the growing issue around homeless tents, trash, and safety concerns on our neighborhood streets--especially along the Park and Glendale Blvd.

Understand the City is working to develop affordable housing, but in the meantime we must keep our streets clean and safe. Just because we're not Brentwood or Bel Air, the homeless tents should not be allowed to populate and trash our streets. Hoping to find some answers from our speakers.

Juan Fregoso has agreed to speak on Wednesday, August 14th. Suggesting around 6:00 or 6:30 PM. Would you be available as well? Please confirm. Also reaching out to a representative at PATH as well.

Hope you can make this--we can always adjust the time if this is too early. Since my home is small, plan to host folks on my back deck before it gets dark.

Thank you and look forward to seeing you, ██████████

Hi ██████████: So good to hear from you. Unfortunately I have a meeting at 6pm but I should be done by 6:45. I can come by after that monthly meeting? Let me know if that is okay. Gina

Hey Gina, no worries! I'll set the meeting for 7pm. Should still be light then and hopefully that will give you time to come by. Sound good?
Thank you! ██████████

Hi ██████████,

Are you talking about the homeless at Echo Park Lake?

What stretch of Glendale Blvd are you referring to? These areas are borders with the Senior Leads as well as police divisions so Gina might not cover these areas.

Juan:

Yes Echo Park Lake and Glendale Blvd from the Park all the way up to the underpass and entrance to the 2 Freeway. The issue is also reaching to side streets off of Glendale Blvd.

Suggest walking the Park and Glendale Blvd to see the trash and tents. Having the Lotus Festival cleaned things up this past weekend, but I'm sure the issue will return now that the Festival is over.

Gina has agreed to attend the meeting and she's a great resource into her colleagues if she doesn't cover this area, but believe she does.

Thank you, ██████████

Everything North of Sunset and along Glendale Blvd to the 2 Gina can cover.

SLO Robert Solorio <36103@lapd.online> covers the Lake and everything South of Sunset Blvd along Glendale Blvd.

We walk the lake all the time so it would be best that you include him in the meeting. The Lake has its specific needs and the SLO that covers it should be invited. I would also suggest reaching out to the Rangers as well.

Is the meeting still going to be held at your house? I would not suggest a walk through as part of the meeting, but if you want to schedule a call to see how we can make it all fit in about an hour, then we should schedule a call to further discuss.

Juan, thank you for all these suggestions. I will try to contact the other officer. I have to be honest and say that I'm doing this outside of my day job as an executive at Microsoft and have very little time to coordinate. I think having you, the officers and someone from PATH is a great start. Should my neighbors want to do more they're welcome to.

Appreciate all your support and guidance.

Best, [REDACTED]
